2017-18 Kuna High School Band Handbook

MISSION STATEMENT

- The goal of the Kuna High School Band Program is to provide students with a well-balanced music education centered around band performance.
- Students will learn about responsibility, time-management, relationships, musical expression, discipline, dedication, music theory and gain skills relative to their instrument.
- Students will be able to experience a variety of music and music ensembles.
- This education will help prepare students for postsecondary education opportunities and vocations related to music or otherwise.

Please feel free to contact Mr. Krall anytime at skrall@kunaschools.org or come by the band room :)

ACADEMICS

The Kuna High School Band Program follows IHSAA guidelines for academics. As per IHSAA rules and regulations, students participating in IHSAA-sanctioned events (DIII Band Festival, DIII Jazz Festival, DIII Marching Band Competition, DIII Solo and Ensemble Festival, State Solo and Ensemble Festival and others), must maintain a 2.0 GPA and have no more than one 'F'.

Grade checks will be initiated up to 2 weeks before a competition or event during which time a student may increase their grades until 2 days before the event, when final grade checks will occur. Students who are not eligible will not be allowed to perform and their band grade will be affected accordingly. These students, however, will be required to attend the performance for a lower grade.

ATTENDANCE

Students involved in the Kuna High School Band Program must maintain strong attendance to enjoy all the benefits of the band program. Outside of class time, students are expected to participate in different events, such as concerts, fundraisers, rehearsals and activities. Due to the educational purpose of such events, attendance will be taken at each event.

Punctuality is crucial in the music world. Performers, regardless of talent, who fail to be on-time likely forfeit their ability to continue with success. Event hosts will not invite groups back to perform if the group is spotty with their attendance and punctuality. Being tardy is unacceptable as a member of the Kuna Bands.

During the fall marching band season, the following expectations are provided for attendance and punctuality:

- Students who are tardy to a rehearsal/event are asked to check-in with the proper individuals. If a student fails to do so, their tardy will be counted as an absence.
- Students who are tardy twice will receive a verbal warning.
- Students who are tardy more than four times will be suspended from performance. These students, however, will still be required to attend the performance.
- Excuses for missing a rehearsal/event are to be approved by the director AT LEAST 2 weeks before the event.
- The only accepted unexcused absence or tardiness for a rehearsal/event is a provided doctor's note or a parent note for the death of a family member.
- Students who fail to attend a rehearsal immediately preceding a performance will be suspended from the performance. These students, however, will be required to attend the performance.
- Students who have 2 or more unexcused absences will be suspended from the next performance. However, these students still will be required to attend the performance for a lower grade.

The premise behind these rules is to hold students accountable for their attendance and punctuality. If students are regularly at rehearsal in a timely manner and stay updated on the current schedule then there should be no grading issues. Emergencies do happen, but following the guidelines in this section will lead to more effective communication, understanding and higher achievement.

EMERGENCY FORM

Attached to this handbook is an emergency medical information form supplied by the school district. Please fill it out and return it to Mr. Krall.

FEES

The costs to run a high-quality band program are significant. Fees are created to help offset SOME of the costs associated with band, but students and parents are kept in mind as these fees are determined. The Fair Share Payment for 2017-18 has been lowered to 225 dollars. A breakdown of what the fee is used for is included in this handbook. Students with extenuating circumstances will not be withheld from band. Students grades are not predicated on payment of fees.

Mr. Krall does not accept any money. Fees are to be paid to members of the KGPCO (the Kuna Gold Parent and Community Organization). This payment is due in three payments of 75 dollars on the following dates: July 11th, Aug 17th and Oct 7th. Checks can be written to the KGPCO or paid online at this address:

www.kunagoldparents.com/fair-share-payment.html

GRADING

Grades for each class within the Kuna High School Band Program are based on achievement, homework, participation, attendance and classwork. Grades are based around a points system where more crucial aspects of the course receive more points. Late work is subject to lose half the value of the original assignment. Students with special needs will be assisted in every way possible.

INSTRUMENT USAGE

Kuna High School is fortunate to have instruments for students to use. Students are encouraged to purchase their own instruments. Students interested in using school instruments for the duration of the school year are encouraged to contribute to the upkeep of the instrument by way of a yearly fee of 30 dollars paid to the high school office or by taking the instrument to a music store themselves. These funds will offset SOME of the costs associated with the upkeep and cleaning of instruments.

KUNA HIGH SCHOOL

The Kuna High School Band Program fully supports KHS policies as per the 2017-18 Student Handbook.

ONLINE CONDUCT

Members and representatives of the Kuna High School Band Program are asked to remember that their conduct inside and outside of performances reflects upon the organization. Additionally, please be responsible in how you represent yourself and the organization through online interactions and social media.

Please do not request “friendship” or “follow” staff members. They will not accept your request.

It is natural that students and families will want to document their experiences through photos, videos and recordings. This is encouraged and is a wonderful way to look back on past experiences. However, these forms of media must remain offline or in our closed Facebook group only.

Due to the highly competitive nature of music activities, only media that best represents the program will be allowed onto the internet. Please do not post any videos recordings or photos of any rehearsals without director approval. Photos and videos may be posted to the Kuna Gold Band and Guard Facebook or the Kuna Gold Parent Facebook page since these pages are closed to the general public.

PRIVATE LESSONS

Individual private music lessons are not required in order to participate in the Kuna High School Band Program, though it is **STRONGLY** encouraged. Private lessons will help students gain the skills and knowledge in order to be even more successful in the program. Consult www.kunabands.com for a list and more information on private lessons.

STAFF MEMBERS

It is one of the goals of the Kuna High School Band Program to employ a high-quality staff. Their purpose is to provide quality instruction in their realms of expertise. Students are to give all staff members their full respect and attention. Staff members are an

extension of the director of Kuna High School and are funded through KHS stipends and fundraised money.

STUDENT CONDUCT

The Kuna High School Band Program has a tradition and reputation of being respectful, classy and professional. The more that members of the Kuna High School Band Program act professionally, the more this program will continue to achieve and grow.

As members of the Kuna High School Band Program, students are required to maintain appropriate conduct during class, rehearsals and at other events. Students constantly represent Kuna High School, their peers and staff members. This provides a great opportunity to show others the outstanding nature of the Kuna High School Band Program.

Student conduct that is detrimental to the program will be addressed by the director. This can include, but is not limited to: horseplay, language and excessive displays of affection. While traveling, students are financially and legally responsible for any and all damages that occur to hotel rooms, facilities, equipment, etc.,. Students engaged in illegal activities are immediately removed from the Kuna High School Band Program. If such activity occurs on a trip, the student will be sent home at their own expense and will no longer be the responsibility of the Kuna High School Band Program.

STUDENT LEADERSHIP

Student leadership is a valuable part of a successful band program. Student leaders are selected by staff members based on eligibility, character, action and attitude. These student leaders are to lead and inspire other students to maximize their own potential. Specific roles and responsibilities will be assigned personally from the director.

UNIFORMS

Uniforms are property of the Kuna High School Band Program and proper care of these uniforms are critical to maintaining a great appearance. Several band parents have put in a lot of effort to ensure that we have the best uniforms possible. Please help them out by adhering to the following points:

- Personal cleanliness is critical- please shower, keep clean hair and maintain good hygiene (deodorant!).
- Undergarments- clothing is to be worn under the uniform at all times.
- Care and upkeep- uniforms are to be treated with the utmost care. Please store uniforms properly (folded, ventilated, etc.).
- Garment bags and hangers- do not store anything in your garment bag outside of a clean pair of black socks.
- Rain- if your uniform gets wet please allow for it to dry.
- Eating and drinking- other than water, there is to be no eating or drinking in uniform.
- Ironing- never iron any part of the uniform.
- Plumes- plumes are to be handled by adults only. Do not store plumes in your shako box.
- Socks- long black socks are to be worn with the uniform.
- Marching shoes- you are responsible for keeping shoes in performance condition.
- Gloves- you will receive two pairs of gloves. If you need more gloves, you may purchase them.

Improper care and disrespect of uniforms could damage our uniforms. Damaged uniforms will incur the following charges: jackets(\$90), bibbers(\$45), gauntlets(\$7), plumes(\$30), shako(\$38), shako box(\$15), garment bags(\$14) and hangers(\$3). If uniforms are found to be excessively dirty or with excessive odor during or after the season, they will be dry cleaned at the student's expense (around \$15).

WINTER SEASON

In order to encourage students' growth on a yearly basis, the Kuna High School Band Program looks to maintain a winter percussion group and a winter colorguard group. Staff members will head these programs, not the KHS band director. A reasonable rehearsal schedule will be created for these groups and attendance and punctuality are required for full participation. Due to the costs associated with such programs, additional fees may be required for participation in these programs. More information on these programs will be available in December.

FROM THE BAND BOOSTER ORGANIZATION:

Is your family new to marching band?

Feeling a little confused? Not sure what is going on?

Marching band can seem really overwhelming at first but it is truly one of the greatest activities for any kid! We have it all broken down for you to try to make things a bit easier to understand:

Seriously...band camp?

Band camp is a necessary and very important part of the year- if not THE most important. This is where the students come and learn marching technique and their drill formations. They learn to work as a team and have a lot of fun doing it. Keep you eyes on the calendar for the dates and times.

Who are the band boosters?

The band boosters are parent and community members, including you! The Kuna Gold Parent and Community Organization is a non-profit 501(c)(3) registered organization that supports the KHS music program. We are band parents and former band parents with the passion to help a great group of kids succeed. We assist Mr. Krall and work under his direction.

You compete?

Competitions are where the band really gets to show their best on the field. Most competitions are held here in the valley but occasionally we will travel out of the area or out of state. Competitions begin take up the majority of the day. Watch the calendar for exact dates, times and locations.

Can I order a shirt too?

YES! We love to support our kids! Watch the FB page and TeamSnap for ordering information at the beginning of the season!

Can I volunteer?

Parent help is not only welcome- it's greatly needed! There are many ways to help. We always need help with uniforms, building props, moving equipment, feeding the kids... the list is truly endless! Look to help for specific events and/or items through FB and TeamSnap.

Practice is how long?

Practice is necessary for the band to polish and perfect music and marching and is generally an enjoyable experience. Practices are usually communicated well beforehand, though there may be additional requirements on occasion. Practices are open to the public and will give you a great appreciation for how much effort goes into a successful program!

What about trips?

Generally the marching band will travel once every fall to an out of state competition. Also, generally every other year, the Kuna Wind Ensemble will travel to gain fun experiences through clinics, performances and observations.

What if I still have a question?

If you have a question or issue please feel free to email Mr. Krall at skrall@kunaschools.org or Teri Woods, the KGPCO Booster President at kunagoldparentpresident@hotmail.com .

We have made every effort to keep the amount at a reasonable and affordable level.
