

**Middle School Band Night at KHS Football Game  
Friday, October 14th, 2016**

**Purpose:** To provide **KMS 8th grade band students** an opportunity to see a Kuna Gold Band and Guard performance, to experience the camaraderie of the high school band, begin to understand a little of the AWESOMENESS of high school band and get an opportunity to play music with older students.

**KMS Student Call Time: 6:15 PM on exterior basketball court behind KHS**

KMS Students are asked to arrive in jeans and a black Kuna shirt. Bringing a jacket is also recommended (it may get chilly!). Students may drop off cases in the band room beginning at 5:45 PM. Students are asked to be ready with instruments and music (provided by Mrs. Peterson) at 6:15 PM.  
Don't be late ;)

KMS Students will watch the High School performance of the national anthem at 6:30 PM and then setup with instruments and music in the stands to play pep band tunes. (PLEASE BRING YOUR OWN INSTRUMENT AND MUSIC) Stands will be provided.

During the band's halftime performance, KMS Students will get a great seat to check out the 2016 show "Les Miserables".

Students will continue to perform with the band in the stands until the conclusion of the football game! Students who are unable to stay the entire game are asked to not come to this performance. The football game should conclude at around 9:30 PM. We will then walk together back to the basketball court, have a few words and dismiss students to go home from there. **That dismissal time should be about 10 PM (depending on the game length).** Please pick up your students in the west parking lot of the high school.

This will be a fun night- we certainly look forward to having the 8th grade students participate with us in one of our funnest activities! Please feel free to contact Mrs. Peterson or myself with any questions or concerns.

Thank you and see you soon!
